

# Ogle/Carroll AGRICULTURE in the Classroom

Ogle/Carroll Agriculture in the Classroom provides programs to help participants gain a greater awareness of the role of agriculture in the economy and society. Participants learn that thousands of farm products are in the world around them—on their plate, in the clothes they wear, in the medicine that makes them well, and in earth-friendly fuels and plastics.

Ag in the Classroom is funded through the Ogle/Carroll Ag Partnership. The partnership consists of University of Illinois Extension-Ogle County, Ogle County Farm Bureau, Carroll County Farm Bureau, Ogle County Soil & Water, and Carroll County Soil & Water. If you are interested in making a donation to support Ogle/Carroll Ag in the Classroom please complete the form and mail it with your donation to the address below. All donations are tax deductible.
